Turtle Bay Resort

North Shore of O'ahu

VIEW: The 17th hole at Turtle Bay's Arnold Palmer Course, situated on the breathtaking North Shore of O'ahu. The resort spans 880 acres, including five miles of secluded beaches and verdant green coastline.

DESCRIPTION: Turtle Bay Resort's Kuilima Ballroom features floor to ceiling glass windows overlooking the Pacific Ocean on one side and serene ironwood forests on another. Flexible configurations allow the ballroom to accommodate a variety of different events such as conference seminars, networking receptions and incentive parties. When the swell is right, guests can watch surfers catch perfect waves off the coastline of the resort, or catch a glimpse of sea turtles. Nearby Kuilima Point has an additional 2,863 square feet of outdoor pre-function space with a view that gives the illusion of standing at the tip of the world.

SIZE: The 9,340-square-foot ballroom can be divided into three separate meeting rooms accommodating between 100 to 700 guests.
