The Pacific Rim Conference Center, set off in its own wing of the hotel, offers many unique options in its 31,000 square feet. With a capacity to host 800 attendees, the resort fulfills an important role for corporate and international organizations that would like to meet in the middle of the Pacific.

Turtle Bay Resort is the only full-scale resort on Oahu's exciting North Shore, home of world-famous surfing, remote coastlines and exciting activities. The resort is located on a promontory offering wide vistas of the ocean from every room.

In addition, the Resort is home to the famous Hans Hedemann Surf School where guests can get a taste of the world's best surf.

The resort's \$70 million renovation project completed in 2006 included new greens and course improvements on the Palmer course and a restored back nine on the Fazio Course. Also, the golf shop was completely upgraded, Lei Lei's Bar & Grill – a scenic clubhouse restaurant opened, and a world-class practice facility was built adjacent to the Palmer Course.

Famous for world-class surfing, pristine white sand beaches, and its charming country setting, the North Shore also offers colorful cultural attractions, innovative ecological endeavors, and environmental adventures.
